Please use this version of the Additivity report for the meeting tomorrow.

Also from Rick's changes doc (Thanks again Rick) I made all of the changes in Chapter 2 that I deleted in Track changes. There are several that I was not quite sure about and thought that we could discuss briefly tomorrow.

Thanks,

Glenn

**Subject:** Re: Additivity Report Meeting - my review of chapter 2

Sorry but this is all I could do on short notice.

Instead of a track changes file, I did a file of suggested changes, e.g., p 2-1, L3. Change "xxx" to "xx y". I did not have time to read all the review comments so I started with the clean pdf file and the one named "track changes.pdf" that Jane Ellen sent me.

Hope this is useful. I will be on the phone Friday at 10am.

Sorry I sent out the wrong time.

Hopefully everyone will have had a chance to read the document. My draft plan for our meeting on Friday is to ask for and discuss major disagreements or proposed major changes to the text of the White Paper, starting with Chapter 1, then move to subsequent chapters.

Date Friday 8-31-18
